Inventory of permanently wired boards for IBM Equipment

Please furnish us a list of the permanently wired boards you are maintaining for various types of IBM equipment. We will appreciate your including on the list:

- (a) Type of machine
- (b) The office for which it is maintained
- (c) Identification of the cards for which it is to be used (show schedule item number); and
- (d) An indication of whether the requirement is current or has been superseded.
